

**REMARKS**

This application is the entry into the national phase in the United States of International Application No. PCT/GB2005/001019 dated 18 March 2005. The international application was filed with a number of multiply dependent claims. Some of those claims are themselves dependent from other multiply dependent claims. Since such a claim structure is not allowed under U.S. practice, applicant takes this opportunity to remove all multiple dependencies from the claims. Claim 18 has been cancelled.

In addition, applicant herewith submits a brief abstract of the disclosure.

Prompt and favorable examination of pending claims 1-17 is respectfully requested.

Respectfully submitted,

FAY, SHARPE, FAGAN,
